

Students of the EiTI faculty!

The condition to take part in Polish classes and not pay for them is to register the subject in the faculty system ERES:

JP-1 = the first semester of your Polish course

JP -2 = the second semester of your Polish course

JP-3 = the third semester of your Polish course

JP-E = B2 level exam of Polish

For JP 1/2/3 it does not matter which level you are going to study.

All the modules last 60 hours in the semester! (this means courses twice a week).
