

Writing

Choose **one** of the tasks and write between 150–180 words:

1. The headteacher at your language school has asked you to write a report on the contact with English that students have outside school. Write the **report**, including details of: what and how often students read in English; other forms (TV, radio, film, etc.) of contact with English that students have; what students feel are the best ways to improve English outside school.
2. Your best friend is planning a surprise birthday party for his/her girlfriend/boyfriend. He has written to you asking for suggestions and advice. Write a **letter** to him/her explaining how you would organize such a party. Do not include any addresses.
3. You and your friends have decided to go on holiday to the USA. You have found the following advertisement and would like to have more information. Write a **letter** to Oceanview Adventures, covering all the points in your notes. Do not write any addresses.

Which countries do they come from?

Do they speak English?

Where is it? What kind of place is it?

Do these cost extra? How much?

What are the dates?
