A- how to log onto the e-learning platform

(the best search engine to do so is Google Chrome, Internet Explorer should work well as well; don't use Firefox – you won't be able to use certain functionalities)

1- visit the SJO website: <http://www.sjo.pw.edu.pl/>, then click on the logo "platforma SJO" in the right-hand corner

3- as a user name (Polish: nazwa użytkownika) you key in the number of your student's book, as a password (Polish: hasło) (the first time you log in): 111111 – make sure you accidentally don't press "space" at the end of the user's name or the password

4- you may need to change your password (if required) – your new password should have a small and a capital letter, a digit and a non-numerical sign (underscore, asterisk, question mark etc) **write down the new password!!** (to be used when you log in next time)

5- if there are any problems contact **MoodleSupport@sjo.pw.edu.pl** giving your name, surname, student's book's number, faculty (add "English-medium studies) and describing the problem you have with the platform

B- how to find the test

after logging in, on the front page you'll find a course called: **test_(name of your faculty in Polish)_anglo** (for example: test_meil_anglo); click on the name of the course and then on "Academic English Placement Test" and answer all the questions; **don't forget to save your answers at the end (click onto "submit all and finish")**
