

Polish Language Levels for International Students at WUT - 30-180 hours

1) Courses of Polish (modules from 7 to 12) for international students studying in Polish and preparing for the B2 examination in Polish

2) Polish for international students studying in English; mandatory courses run in accordance with the allocation of language credit-bearing hours at their Faculty.

Allocation to student groups is based on placement test scores.

3) For Erasmus and Erasmus-Mundus students, who come to study at WUT for 1-2 semesters, Polish is one of the subjects of study (“foreign/local language”) and they do from 30 to 120 hours of the language, depending on the Faculty and the student’s length of stay in Poland).

Modules M01 and M02 have been specially designed and are recommended for this group of students. Those who already have some command of Polish may choose any level from A1 to B2, depending on their placement test scores.
