

Foundation Year

WARSAW UNIVERSITY OF TECHNOLOGY

Rector's Announcement regarding coronavirus disease (COVID-19)

Important information for Foundation Year students.

1. International trips and arrivals of students, are being suspended from today onwards until further notice (regulation by the WUT's Rector).
2. Students have to make a decision whether to travel at their own risk. After returning, Students are required to stay for 2 weeks in their place of residence and continue education on their own. The Director of Foundation Year course is obliged to make it possible to make up classes related to the students' absence during this period.
3. Students returning from private trips from countries with an increased number of COVID-19 cases (Italy, China, South Korea, Iran, Japan, Thailand, Singapore, Taiwan) are obliged to stay home for 2 weeks and study there.

Please do not come to the classes if you have a fever, cough, shortness of breath and trouble breathing, runny nose.

In urgent cases, students may ask their questions to CenterMed consultants either by phone (+48 22 592 48 77 or +48 22 592 48 78 - 24-hour service in Polish and English) or by e-mail (HELP@CENTERMED.PL)
